### RacingMania sweepstakes rules

[1] Your game card contains 10 different 3-driver combinations, each randomly generated and randomly assigned to one of the 10 races listed on this card. The official begin date is 2/26/2012. [2] Individual Race and Grand Prize winners are based on the combined total points scored by the drivers on this card: Race winners are based on the total points scored by your drivers in a race; Grand Prize winners are based on the sum of the points scored by your card after all 10 races. [3] If two or more cards are tied with the same score, the average pole position of your drivers is used as a tiebreaker. The larger the numeric pole position value is, the higher the card's value. [4] If a driver does not race, your card earns any points awarded to that driver's car # (i.e. points earned by the car's replacement driver). If both the driver and the car do not race, then a replacement driver will be assigned in its place. See website for replacement driver assignments. [5] Minimum odds of winning: 1 in 53 for all ten races; 1 in 546 in each race; 1 in 1638 for a grand prize. [6] No purchase necessary to play. Void where prohibited. [7] To enter the sweepstakes, the organization on the front of this game card must activate the card number. To request a free game card, ask the organization in person (see contact info on front of card) for a "free game card request form"; complete the form, and mail to the address shown on the request form along with a self-addressed stamped envelope postmarked by 2/25/2012. A game card will be assigned to you and mailed in the return envelope sent with your form. [8] See website for additional details and to view winning cards.
