

Fact Sheet: FootballMania SuperMatch - \$10 Fundraiser

How to play

FootballMania is an exciting sweepstakes fundraiser that is based on the popular "Squares Pools" played during pro football's championship game. You earn 70% profit for every \$10 CharityMania Ticket you sell.

Sweepstakes participants can win \$1,000s in prize money by simply matching the numbers on the back of their game card with the score of pro football's championship game at the end of each quarter of play. The more quarters that end in a match, the more prize money the participant wins.

Winning game card example

At the end of the 2nd quarter of play (during the big game), let's say the score is...

American Conference
Team's Score..... **20**

National Conference
Team's Score..... **14**

If each team's score ends with a number that matches the corresponding numbers printed on your card, then you win! The more quarters with a match, the more you can win!

Based on historical scoring from the Super Bowl, the odds of winning a prize in SuperMatch is approximately 1 in 12. These odds are significantly better than the odds in a traditional squares pool because we have removed the number combinations that are least likely to occur.
