FootballMania Sweepstakes Rules

[1] Your game card contains 18 different 3-team combinations, each randomly generated and randomly assigned to the 18 weeks of the pro football season, scheduled to begin in September. [2] Prizes are awarded each week to the 15 game cards whose teams score the most total combined points relative to all other cards that week. The 3 cards that score the least total points also receive prizes. Grand Prizes are awarded to the one card with the most, and one card with the least, total combined points scored over all 18 weeks. [3] If two or more cards are tied with the same score, 'total net yards' is used as the primary tiebreaker. See website for tiebreaker examples. [4] Football teams that do not play (have a bye) in a given week are assigned that team's score from the previous week. [5] Minimum odds of winning: 1 in 15.7 for the entire season; 1 in 276 in each week; 1 in 2480 for a grand prize. [6] No purchase necessary to play. Void where prohibited. [7] Sweepstakes ends after all games played. [8] To enter the sweepstakes, the organization on the front of this card must activate the card number. To request a free game card, ask the organization in person (see contact info on front of card) for a "free game card request form", complete the form, and mail to the address shown on the request form along with a self-addressed stamped envelope postmarked by Week 8. A game card will be assigned to you and mailed in the return envelope sent with your form. [9] See website for additional details and to view winning game cards.
